

## VIP Member Update on Changes to the VIP Players Suite®

Our goal in closing the **VIP Rewards®** Store, and in changing our **VIP Players Suite®**, is to provide you with an improved rewards program by offering fantastic prizes ranging from cars, boats, luxury items, and room renovations to designer handbags, experiential prizes and more. **The VIP Rewards®** Drawings will also vary on the points for entry, the value of the prizes and the number of winners.

If you ordered an item prior to the store closing, and the item has not been delivered, you **WILL** receive your merchandise. This also includes items that were listed as Backordered.

Now that the store has closed, what immediate benefits do I have as a VIP Member?

- The new and improved **VIP Rewards®** Drawings are available now. There will be both monthly and quarterly drawings. The first quarterly drawing will be for a 2017 Ford Mustang EcoBoost Premium Convertible. See below for drawing details, or visit the **VIP Rewards®** Drawing section of [tnvipsuite.com](http://tnvipsuite.com).

- Your **VIP Rewards®** Points in your account have **DOUBLED**, as a one-time occurrence and benefit for being a VIP Member.

- You can continue to enter or scan eligible non-winning instant tickets for automatic entry into our popular **Play It Again!** and **Second Chance** drawings, and you will continue to earn **VIP Rewards®** Points on eligible non-winning instant and drawing-style tickets. These entries will continue to earn points at the **previous** point levels.

Thank you for playing the Tennessee Lottery and being one of our VIPs. Membership has its rewards!
